What was the Teacher's Training about?

- EXPERIENTIAL LEARNING - learning through reflection on doing.
- The 5 of E's learning – **ENGAGE – EXPLORE – EXPLAIN – ELABORATE- EVALUATE** – will be looked into in the classes.

If you are not
willing to learn,
no one can help you.
If you are
determined
to learn,
no one can
stop you.

“e learning doesn't just ‘happen’ ! It requires careful planning and implementation”

Let's Ponder

Together

“Teachers are becoming learning facilitators.

Their role is shifting from 'instructing' students, to helping students 'construct' their own learning.”

**STAY
HOME AND
STAY SAFE**

**You are not
stuck at home
You are
safe at home**
